

Army Aviation and Missile Command (AMCOM) Expedited Professional and Engineering Support Services (EXPRESS)

AMCOM EXPRESS consists of four (4) EXPRESS Program domains: Logistics Domain, Programmatic Domain; Technical Domain; and the Business and Analytical (B&A) Domain. SPS is currently a team member on its "Sister Company's" (Millennium Systems Services, Inc. (MSSI [<http://www.mssi-inc.com/>])) BPA Logistics Domain Team. As a whole, EXPRESS is a group of multiple award Blanket Purchase Agreements (BPAs) leveraging commercial processes and innovative enhancements established within the "evergreen" aspects of the General Services Administration (GSA) schedules program to incorporate dynamic teaming arrangements and to offer the right mix of professional and highly technical advisory and assistance services to Team Redstone. The EXPRESS Program provides operational efficiencies and improved mission readiness with overall value and flexibility to acquisitions for its customers and end-user organizations.
