

## ***TACOM Strategic Service Solutions (TS3) – Equipment Related Services***

SPS, Inc. is a prime TACOM (Equipment Related Services [ERS] Contract Suite) Holder. Our focus for this suite is providing maintenance, repair and overhaul, equipment modification, installation of equipment, and technical service representatives. The ERS Suite replaces the Field and Installation Readiness Support Team (FIRST) Contract Vehicle. Maximum ERS ordering value is \$1.1B. The ERS Contract Suite has a five (5) year ordering period and an eight (8) year period of performance to allow for three (3) year task orders to be awarded on the final day of the ordering period. TS3 as a whole (*ERS, Knowledge Based Services [KBS], and Research and Development [R&D] Contract Suites*) is designed to support the customers of Army Contracting Command – Warren (ACC-Wrn): Program Executive Office (PEO) Combat Support & Combat Service Support (PEO CS&CSS); PEO Ground Combat Systems (PEO GCS);–System of Systems Engineering & Integration (SoSE&I); Tank Automotive Research and Development Command; and TACOM Life Cycle Management Command (LCMC). The ERS contract suite has a partial Small Business Set Aside (SBSA); Competitive task orders greater than \$150,000 and less than or equal to \$3 million per year will be solicited to SBs only (Restricted Pool); Competitive task orders greater than \$3 million per year will be solicited to both SB and OTSB contractors.
